Acando signs SAP agreement with Plastal Industri

Plastal Industri has chosen Acando as partner for implementing a new global SAP solution within finance and logistics. The assignment also includes moving Plastal's SAP environment from Italy to Sweden and a technical SAP upgrade.

Acando has also signed an agreement with Plastal regarding application management of their portfolio of applications, as well as procurement of new SAP licenses for their business in Sweden and Belgium.

Plastal Industri is a leading international group within development, design and production of plastic components for the automotive industry. The development is conducted in close cooperation with their customers.

"Acando offers a good combination of deep business knowledge and SAP competence. In addition, Acando's application management services make them a very strong player in the SAP market place", says Peter Karsberg, CFO, Plastal Industri.

"We have had the pleasure of working together with Plastal on strategic matters for some time and are very proud that Plastal now chooses to expand the cooperation with us", says Jan Koch, Customer and Delivery Manager, Acando.
