

SEK issued a global USD 1 billion bond

SEK (Swedish Export Credit Corporation) issued a USD 1 billion five year benchmark bond.

- This transaction prove our strong name in the global capital market, says Per Åkerlind, CFC Head of Capital Markets, SEK. The bond was heavily oversubscribed. A very successful transaction that will support the Swedish export industry.

The successful bond was received very well and was subscribed by a large number of investors from North America, Europe, the Middle East and Asia.

The bond is SEK's first USD benchmark transaction since September 2009.
