Inwido to acquire Pro Tec Vinduer in Denmark

Ratos's subsidiary Inwido has signed an agreement to acquire all the shares in the Danish window company Pro Tec Vinduer. The acquisition will be financed with funds available in Inwido.

Pro Tec sells and produces windows and doors in wood/aluminium and wood/fibreglass for the Danish and British markets. Pro Tec has a particularly strong position among architects and construction companies within the industrial segment. Pro Tec has approximately 140 employees and sales in 2010 totalled DKK 170m.

“Pro Tec’s range of windows and doors is in tune with the times in terms of design, energy efficiency and flexibility. This acquisition will strengthen our offering in Denmark and other markets and fits in well with our focus on new and innovative products,” says Inwido’s CEO Håkan Jeppsson.

The acquisition is subject to approval from the relevant competition authorities.
